

URBAN LIGHTING

ORBIT SU

Category:
Outdoor

Product Type:
Urban Lighting

Mounting Type:
Post-top

Description:

Orbit SU post-top LED luminaires featuring a single swept arm and circular housing, engineered for walkways and plazas. The downward LED optics provide uniform, low-glare illumination, enhancing safety and visual comfort in pedestrian environments. Built with a durable construction and weather-resistant finish.

Specifications:

| Wattage | Lumen | Efficacy | Power Factor | CRI | CCT | Voltage | Frequency | Dimensions (mm) | |
|---------|--------|----------|--------------|-----|------------|-------------|-----------|-----------------|-----|
| | | | | | | | | Ø | H |
| 40W | 3200lm | 80lm/w | >0.95 | 80 | 3000-5700K | 220-240 VAC | 50/60 Hz | 490 | 560 |

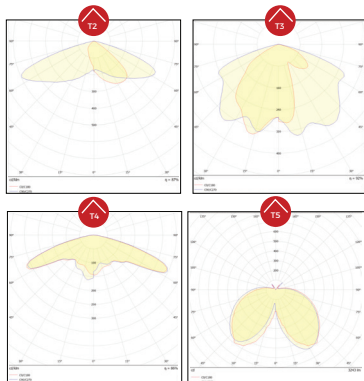

*Values above according to tests made with 3000K and wide beam angle.

*Available in CRI 90 on request.

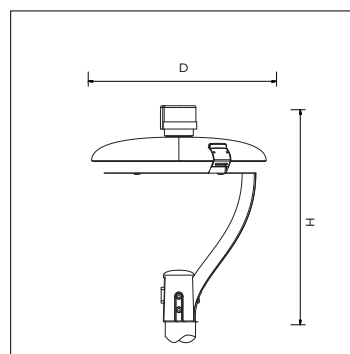

Features:

| Body Material | Finishing | Optics | Driver | Driver Mounting | Beam Angle |
|-------------------|------------------------|--------|----------|-----------------|-----------------|
| Die-Cast Aluminum | Electrostatic Painting | PC | Included | Separated | T2, T3, T4 & T5 |
